

## SAFETY PROTOCOLS

Hotel safety measures – [Click Here](#)

Be prepared to adhere to COVID safeguards to include:

COVID screening at registration and daily temperature checks required (all staff, speakers and attendees).

Bring and wear masks (except when eating and drinking)

Wash your hands and use hand sanitizer

Practice good health habits

Supplies will be on site to prevent the spread of germs

Hotel and staff will clean and disinfect frequently touched surfaces often

No self-serve food and beverage at the hotel -

Food and beverage served with barriers in place by hotel staff with masks and gloves

Floor markers for distancing and one-way flow of traffic in exhibit hall

Reduce and limit contact between attendees (social distancing seating)

We ask that anyone who is sick to not attend the meeting and request that people who begin displaying any COVID-19 symptoms leave immediately.

Lanyard colors to display level of comfort (green/yellow/red)

Talk with SASBO staff with concerns during the event
