Mastering Mindfulness: Elevating Self-Care, Productivity, and Relationships

Borgne

Presenters: Tanya Chapman Griffin, Louisiana and Beanka Williams-Brumfield, Louisiana

In the demanding world of school business operations, professionals are often pulled in multiple directions—balancing budgets, managing resources, and ensuring smooth school operations—all while handling high expectations and complex decision-making. Mastering mindfulness and self-care strategies are essential for sustaining well-being, enhancing productivity, and strengthening workplace relationships. Additional benefits include decreasing burn-out, stress and supporting a routine that can prove beneficial in professional and personal experiences. This interactive session will equip school business professionals with practical mindfulness strategies to enhance self-care, improve communication, foster collaboration, and increase efficiency in their roles.

How West Baton Rouge Eliminated Manual Paper Processes and Implemented Digital Transformation

Bayside A

Presenters: Nick Duell, Utah and Barbara Burke, Louisiana

Discover how school districts in Louisiana and beyond are streamlining finance processes by replacing manual tasks with automated systems that save time and reduce errors. Former teacher and administrator Nick Duell will share practical strategies for digitizing tasks like travel requests and mileage reimbursements, drawing from real-world successes in West Baton Rouge. Leaders from WBR will also provide firsthand insights into how customized solutions are driving meaningful change. Join us to explore how these innovations can benefit your district.
